Rules and Regulations

Season Long Race for Persimmon Cup: Men's Club Players will compete in a season long race for the "Persimmon Cup". Qualifying points will be awarded after each event based on the total number of entries. Men's Club Players must play in a minimum of 6 events that will be counted for in the season long race. **All Majors must be played.** If you choose to play in more events, you can drop your worst performance in any event *EXCLUDING MAJORS*. The top 32-40 performers will be selected to play in the Persimmon Cup event. All Persimmon Cup qualifiers will represent the Club vs Old Oak.

Scoring/Rules: Since event rounds can be played on your own time, you **MUST** declare your round to the Golf Shop prior to teeing off. Golf Staff will provide an official scorecard to be used for each event. All scorecards must be signed/attested and dated, in clear and legible writing. Scorecards must be physically turned into Golf Shop Staff after completion of your round. A clear image must also be taken of the scorecard and emailed to our Scoring Staff for records. **Players may be disqualified from points and winnings for an event if any of the following are missing or illegible: Full Names, tees used, date played.** Your handicap is indicative of the tee box being used per player. If an individual handicap is out of norm the committee will provide appropriate corrections.

Events: For most events, Men's Club members will play in their own permanent or reservation tee time. Official Event Rounds **MUST** be declared to the Golf Shop prior to teeing off. All events will have a \$10-20 sign-up fee, as well as a discounted rate for the golf. Men's Club members will be given 1 to 4 weeks depending on the event, to complete their round. Some events only require a Pro Pick by a certain date. All rounds must be played with at least 1 other member of the Men's Club.

Requirements to compete: All competitors must register for the 2023 Men's Club via registration form and provide payment to the Golf Shop. **A CDGA handicap is required to compete.** Most events will be played in your own tee time in a 1 to 4 week event period. Advanced sign-up is necessary for certain team events. Any event without dedicated tee assignments must be played from the Blue Tees. Seniors above 60 may play Gold. All playing handicaps will be calculated by the tees used.

Prizes: Points will be awarded after each event for our Season Long Race to the Persimmon Cup. Golf Shop Credits will also be awarded based on the number of entries for each event. Credits won may be applied towards any golf related purchases (ie: greens fees, merchandise, club events, ect.)
