

WHITETAIL RIDGE

GOLF

EVENTS/OUTINGS
2025

As one of Illinois's premier golf courses, our goal is to create a unique event experience to fit your needs. From our catering staff to our tournament services team, we work alongside you every step of the way to ensure that our experience creates a lasting impression for you and your guests.

Whitetail Ridge Golf Club is home to course architect Greg Martin's championship golf course. Located just 20 minutes from Rt. 88 in Aurora, and 15 minutes from Rt. 55 in Plainfield, Whitetail Ridge is a convenient choice for your next golf event. Groups of 16-144 can enjoy the picturesque views of both "nines".

Our front nine holes wind their way through lush wetlands and water features, while the back nine play along the infamous Ridge and feature a variety of elevation changes. Both nines provide you and your guests an exhilarating challenge, yet fair and fun experience!
